Scavenger Hunt:
Finding Treasures in the FAU Library

PURPOSE

The purpose of this scavenger hunt is to familiarize you with basic features of the FAU Library. Throughout your academic career, you will be asked to conduct research using the library, databases & other sources of academic information. Please listen carefully & take notes as the FAU librarian will provide you with invaluable information.
A. Find an article in the electronic version of Occupational Outlook Handbook thru either the PBSC library website or FAU library website.

Find an article about YOUR CAREER and fill in the blanks below.

(Author & Publisher) _____________________________

(Title of Article) _____________________________

(Title of Book) ________________________________

(Date of Access) ______________________________

(Web address or URL) __________________________
B. Books in the FAU/PBSC Library

Choose your topic and find a book (Some suggestions are: your career, topics for class (i.e. study skills, etc.) or social issues (i.e., global warming).

Based on the book received, fill in the blanks below.

EXAMPLE: Gardener, Howard (Author(s)) Intelligence Reframed: Multiple intelligences for the 21st Century. (Title) New York (City of publication) Basic. (Publisher) 1999 (Date)
BF432.3 .g378 1999 (Call Number)

(Author(s)) ________________________________________________

(Title) ________________________________________________

(Publisher) ________________________________________________

(Date) ________________________________________________

(Call Number) ________________________________________________
C. Finding a magazine article in a FAU subscription database.

Choose your topic
Some suggestions are: your career, topics for class (i.e., study skills, etc.) or social issues (i.e., global warming).
MY TOPIC: ____________________________________________
